Evaluation types and growth of the evidence, 2010–2026

Eligible publications, 2010–2026. Panel A: original full economic evaluations, including 667 that also report a review; each has one primary type. Panel B: all publications by evaluation type, with reviews that report no evaluation of their own in grey. Shading marks 2020 onwards. *2026 is incomplete (searches ran to August 2026), so its bar is hatched.
